In the year ——————————————————————, on the ——————————— day of the month of ——————

in Trieste, in my study at number 13 of Via San Nicolò,

I, the undersigned, **DANIELA DADO**, Notary Public in Trieste, registered with the Board of Notaries of this city, hereby draw up the minutes of the Ordinary and Extraordinary Meeting of the Shareholders of the Company ASSICURAZIONI GENERALI Società per Azioni, which was held on the 24th (twenty-fourth) day of April 2024 (twenty twenty-four) at the Company' Offices in Trieste.

In my capacity as Notary Public, I hereby give notice of the following, specifying that, for the mere sake of simplicity, the matters entered in these minutes are reported in the present tense, even though they refer to events that took place on the aforementioned date.

* * *

On the ***24th (twenty-fourth) of April 2024 (twenty twenty-four)***, at nine o' clock, in Trieste, at the Offices of ASSICURAZIONI GENERALI Società per Azioni, at number 1 of Piazza Luigi Amedeo Duca degli Abruzzi, I am requested by:

ANDREA SIRONI, born in Milan on 13 May 1964, Chairman of the Board of Directors of **"ASSICURAZIONI GENERALI Società per Azioni"**, with registered offices at number 2, Piazza Duca degli Abruzzi, Trieste, tax code and Venezia-Giulia Register of Companies number 00079760328, with a fully paid-up share capital of euro 1,602,462,715.77 (one billion six hundred and two million four hundred and sixty-two thousand seven hundred and fifteen point seven seven), to draw up the minutes of today's ordinary and extraordinary meeting of the said Company in accordance with applicable law.

By request, also pursuant to article 106 of Decree-Law No. 18 of 17 March 2020, converted into Law no. 72 of 24 April 2020, whose effects have been extended to 31 December 2024 by Law no. 21 of 5 March 2024, I, the Notary Public, acknowledge the following.

In compliance with article 18 of the Articles of Association and article 3 of the Rules and Procedures of the Meeting, the Meeting is chaired by the CHAIRMAN of the Board of Directors, ANDREA

SIRONI, who invites me to attend the General Meeting of the Company to record its resolutions, as hereinafter provided.
The CHAIRMAN acknowledges that, according to articles 25 of the Articles of Association and 4 of the Rules and Procedures of the Meeting, the Group CEO Philippe Roger DONNET, the Group CFO Cristiano BOREAN and the Secretary to the Board of Directors Giuseppe CATALANO are attending in person.
The CHAIRMAN completes the prior formalities for today's Meeting, then acknowledges:
that today's Meeting is held in such a manner that does not require those entitled to attend in person. As has been customary over the last few years, those entitled may participate in the Meeting without having to leave their offices by delegating their Designated Representative, i.e. the Company Computershare S.p.A., which is represented at this Meeting by Mr. Alberto ELIA;
that the Meeting is formally held at the Company's Offices on the seventh floor of Palazzo Berlam, at number 1, Piazza Luigi Amedeo Duca degli Abruzzi, in Trieste;
that participation in the Meeting is exclusively performed by the Designated Representative, according to article 135-*undecies* of Legislative Decree no. 58 of 24 February 1998 (the Italian Consolidated Law on Financial Intermediation, also known as "TUF"). The Designated Representative might be (further) appointed under article 135-*novies* of the TUF – notwithstanding article 135-*undecies*, paragraph 4 of that same decree – to allow all shareholders to make the widest use of the remote voting tool described above;
that under those circumstances, the members of the governing and supervisory bodies and any other people whose participation is allowed by law, by the Articles of Association and by the Rules and Procedures of the Meeting have the right to participate therein via telecommunication means.
He also reminds the public that they will also be able to follow all the initial addresses via a live video streaming service and that, on their completion, the formal proceedings of the General Meeting, which will be exclusively restricted to those entitled, will begin.
The CHAIRMAN also acknowledges:
that, since no quorum was reached at the Ordinary and Extraordinary Meeting convened on first call – as recorded in the minutes of 23 April 2024, as per my deed under index number 102090/19143, which was registered in Trieste on 29 April 2024, under number 3742, Series 1/T – that same Meeting takes place today, 24 April 2024, on second call;
that under the 3rd paragraph of article 2369 of the Italian Civil Code and under article 21 of the Articles of Association, the ordinary General Meeting is duly constituted on second call, whatever the capital share represented by the attending shareholders, and that, under article 22 of the Articles of

Association, the extraordinary General Meeting is duly constituted on second call when more than one third of the share capital is represented.
In view of the information the Designated Representative has just given me, the latter holds proxies and voting instructions regarding all topics put to the vote for a larger quorum than the minimum quorum required by applicable law, in both ordinary and extraordinary sessions. The Meeting is thus duly constituted in both ordinary and extraordinary sessions.
Then, the Chairman gives a speech of his own, whose full text is enclosed herein as Annex **"A"**.
Thereafter, prompted by the CHAIRMAN, MANAGING DIRECTOR AND GROUP CEO PHILIPPE ROGER DONNET takes the floor, whose speech is enclosed herein as ANNEX **"B"**.
After the end of the latter speech, at the Chairman's invitation, the floor is taken by Group CFO Cristiano Borean, whose speech is enclosed herein as Annex "**C**".
The CHAIRMAN, after thanking the Group CEO and the Group CFO for their speeches, which wrap up the first part of the meeting, bids goodbye to all those who followed the live streaming session, which was open to the general public. Before moving on to the second part of the meeting, which is reserved for legitimate Shareholders only, he introduces a video presenting Generali's partnership with the UNDP, the United Nations Development Programme, which works to protect vulnerable communities all over the world and, following that, a video on The Human Safety Net, a Generali Foundation which is active in 26 different countries and whose goal is to enable people to shape a safer future, taking care of their own lives and dreams.
After the video has finished playing, he acknowledges:
that the Designated Representative, Computershare S.p.A., here represented by Alberto ELIA, who is present at the place where the Meeting is being held, holds proxies and voting instructions on all topics put to the vote for a larger quorum than the minimum required by applicable law, in both ordinary and extraordinary sessions, because 49.79% (forty-nine point seven nine per cent) of the share capital is represented;
that, pursuant to article 125-*bis* of the TUF, the notice of call of the Meeting was published on the Company's website (www.generali.com) on 13 March 2024, as certified by me, with a deed of the same date, index number 102015;
that, under article 84 of CONSOB resolution no. 11971 of 14 May 1999, as amended and supplemented, an extract of the notice convening the Meeting was published in the newspapers *Milano Finanza* and *IlSole-24Ore* of 16 March 2024. On 17 April 2024, a notice concerning the adjournment of the proceedings of the Meeting to today also appeared in *Milano Finanza* and *IlSole-24Ore*;
that, in addition to himself, the Chairman, and to the Managing Director/Group CEO Philippe Roger DONNET, the following members

that the members of the Group Management Committee and a few representatives of the network of agencies are attending via videoconference;
that the proceedings of the meeting are recorded on digital media in order to draw up the relevant minutes;
that the task of drawing up the minutes of the General Meeting, both for the ordinary and for the extraordinary session, will be assigned to the Notary Public, who will perform it according to article 2375, first paragraph of the Italian Civil Code;
that, as per the records of the Libro dei Soci (Shareholders' Register), as supplemented by reports received under article 120 of the TUF and by other information available, the subjects listed below own – either directly or indirectly, through third parties, trustees, and subsidiary companies – shares in excess of 3% of the Company's share capital:

- **Mediobanca - Banca di Credito Finanziario S.p.A.**
  with a direct and indirect stake of 204,341,658 (two hundred and four million three hundred and forty-one thousand six hundred and fifty-eight) shares, equal to 13.02% (thirteen point zero two per cent) of the share capital;

all the above is described in detail in the list enclosed in these minutes as Annex **"D"**;

that in accordance with the Rules and Procedures of the General Meeting, the Chairman verifies, through his trusted assistants, that the proxies needed to attend the Meeting comply with the laws in force;
that, for the purposes of this meeting, the Company complies with the current legal requirements on the protection of personal data;
that once again this year, the Company would have liked to provide the now traditional Shareholders' Meeting Extended Inclusion programme, which is designed to overcome any physical, communication and sensory barriers; given the specific manner in which these proceedings are taking place, the programme only focuses on two services: the live video streaming of the proceedings, including in the Italian sign language (LIS), and a captioning service in Italian, which uses the most appropriate colours for the visually impaired. Furthermore, as is now established practice, simultaneous interpreting of the proceedings into English, French, German and Spanish is provided;
that this meeting is held without the shareholders being physically attending, who are instead represented on a proxy basis by the Designated Representative who received, in turn, proxies with voting instructions for each item on the agenda and who will announce the results of each vote from time to time;
that the following documents are enclosed in these minutes: the list of shareholders holding ordinary shares and participating in the Meeting, as Annex **"E"**; the list of delegators who gave the Designated Representative their delegation or sub-delegation, as Annex **"F"**;

The answers to those questions were published on 20 April 2024 on the Company's website, in compliance with the law, so as to allow all shareholders to take them into account before providing the Designated Representative with their proxies and voting instructions. He states that five shareholders submitted 161 (one hundred and sixty-one) questions, to which the Company has replied.

The CHAIRMAN points out that, following the implementation of the share capital increase as part of the 2019-2021 and 2021-2023 LTI Plans – which took place on 12 April 2024, which is also the record date for participating in this Meeting – the share capital amounts to Euro 1,602,462,715.77 (one billion six hundred and two million four hundred and sixty-two thousand seven hundred and fifteen point seven seven) and is divided into 1,569,151,811 (one billion five hundred and sixty-nine million one hundred and fifty-one thousand eight hundred and eleven) shares: therefore this is the reference number of shares for the quorum to convene this Meeting and pass resolutions thereat.

The CHAIRMAN now moves on to discuss the **second item** on the agenda of today's Meeting **(Share buyback programme for the cancellation of treasury shares as part of the implementation of the 2022-2024 strategic plan. a) Approval of the authorisation to buy back treasury shares. Resolutions pertaining thereto and resulting therefrom. Delegated Powers. b) Extraordinary approval of the authorisation to cancel treasury shares without reducing the share capital. Resolutions pertaining thereto and resulting therefrom. Delegated Powers).**

The CHAIMAN begins by stating that the sub-items on the agenda are interconnected, one in the ordinary session and the other in the extraordinary session: the former regards the approval of the authorisation to repurchase treasury shares in order to implement the buyback plan for euro 500 million, and the latter, in the extraordinary session, concerns the authorisation to cancel the treasury shares arising from that purchase, without any resulting reduction of the share capital.

Therefore, with reference to the two sub-items under discussion, the Meeting is duly constituted in its ordinary session on second call, under article 2369, paragraph 3 of the Italian Civil Code and under article 21.2 of the Articles of Association, as well as in its extraordinary session on second call, under article 2369, paragraph 7 of the Italian Civil Code and under article 22.2 of the Articles of Association.

In this respect, he states:
that the share buyback proposal is part of the 2022-2024 strategic plan regarding the capital management policy that was previously disclosed to the market;
that the share buyback programme is aimed at allocating the liquid resources in excess that have been accumulated during the 2022-2024 three-year period and to provide Shareholders with additional remuneration to complement the dividend paid;
that the Meeting's authorisation to repurchase and dispose of the treasury shares referred to in this proposal is instrumental in their cancellation, including in multiple tranches, without reduction of the share capital, as included on the agenda and referred to at item 2 b) hereunder.
The CHAIRMAN then puts the proposal on the **first sub-item of the second item** on the agenda to the vote and reads out the resolution to be adopted by the Meeting.
"The Shareholders' Meeting of Assicurazioni Generali S.p.A., held at the Berlam Palace at 1, Piazza Duca degli Abruzzi, Trieste, duly constituted and qualified to pass resolutions in ordinary session under article 2369 of the Italian Civil Code and article 21 of the Articles of Association,
- having regard to articles 2357 and 2357-*ter* of the Italian Civil Code;
- having regard to article 132 of the TUF, as amended and supplemented;
- having acknowledged that to date the Company and its subsidiaries hold a significantly smaller amount of Generali shares than one fifth of the Company's share capital in their portfolios;
- having regard to the report drawn up by the Board of Directors on this item on the agenda;
- having regard to the financial statements for the financial year ended 31 December 2023, which has just been approved;

resolves

- to authorise, under articles 2357 and 2357-*ter* of the Italian Civil Code and article 132 of the TUF, as amended:

1) the purchase of Assicurazioni Generali ordinary shares for an overall maximum disbursement of euro 500,000,000.00 (five hundred million point zero) which, however, should not exceed a maximum amount of shares corresponding to 3% (three per cent) of the Company's share capital:

a) the authorisation is limited to purchases aimed at implementing the cancellation of those shares without reduction of the share capital, according to this authorisation by the Meeting, after the subsequent relevant resolution has been approved, as envisaged at item 2 b) of the agenda;

b) the minimum purchase price of the ordinary shares shall not be lower than their implied nominal value then in force (currently amounting to euro 1.021), while the maximum purchase price shall not exceed the reference stock exchange

price of the share on the trading day preceding each purchase transaction by 5% (five per cent);

c) the Company may proceed to buy back its treasury shares, in one or more tranches, within 18 (eighteen) months of the date of this resolution;

d) the purchases will be carried out within the extent of the distributable profits and of the available reserves that appear in the latest duly approved financial statements;

e) the share buyback transactions will be carried out, under article 144-*bis*, paragraph 1, sub b) and c) of the Issuers' Regulations, in one or more tranches, on regulated markets or on multilateral trading facilities according to the operating procedures laid down in the organisation and management regulations of those markets to ensure equal treatment for all Shareholders. Therefore, those purchases will be carried out, exclusively and in one or more tranches on regulated markets or on multilateral negotiation systems, according to operating practices complying with their organisation and management regulations, which should not allow any direct matching of offers to buy with pre-determined offers to sell;

2. to entrust the Board of Directors, and through it, the Chairman and the Managing Director/Group CEO, both jointly and severally, and with the right to sub-delegate the powers delegated to them, with the following tasks:

a) implementing today's resolution and identifying, *inter alia*, the reserve funds to be used to buy back the treasury shares and proceed to the subsequent accounting procedures required by law;

b) setting out the rules, deadlines and all operational and ancillary terms required for the optimal implementation of this resolution, by conducting all appropriate assessments to this end and thus fulfil all necessary duties, obligations, and formalities, none excluded or excepted, as well as fulfil every other formality regarding the disposal operations referred to in this resolution, including any awarding of assignments to intermediaries authorised by law and with the power to appoint agents with special powers of attorney."

The members of the Board of Directors meet the requirements and criteria laid down by current legislation. At least half of the Directors meet the independence requirements imposed by law on listed issuers (the "Independent Directors"). If the number of members of the Board of Directors prescribed by the Meeting is not a multiple of two, the number of Independent Directors appointed to its ranks will be rounded up to the next unit. (i) the curriculum vitae of each candidate, containing full information about the candidate's personal and professional experience and skills gained in the insurance, financial and/or banking sectors;

28.13 If a Director drawn from a Minority List ceases to hold office,

i) the Board of Directors replaces him/her by appointing as Director the first of the unelected candidates on the same list as that of the outgoing Director, provided that the candidate is still eligible, willing to take office and of the same gender;

ii) the Meeting replaces the outgoing Director by majority vote, choosing – where possible – his/her substitute from among the candidates on the same list who previously accepted the replacement and who are of the same gender.

In all other cases in which, during the three-year period, a Director ceases to hold office, he/she shall be replaced according to the regulations in force, in compliance with the principle of gender representation laid down by current laws. If an Independent Director ceases from office, the substitute, who was

either co-opted by the Board of Directors or appointed by the Meeting, needs to meet the independence requirements imposed by the regulations applicable to listed issuers.
37.2 Those who find themselves in situations of incompatibility, ineligibility, and debarment, as provided for by law, or who have exceeded the limits on multiple appointments specified by current regulations may not be appointed as Statutory Auditors and – if elected – are debarred from office.
37.9 The lists must be accompanied by information about the shareholders who submit them, with details of the percentage of the overall share capital that they hold.
The following are also filed together with the lists:
i) the curriculum vitae of each candidate, containing full information about his/her personal and professional experience and skills gained in the insurance, financial and/or banking sectors;
ii) the statements with which the candidates accept their nomination, undertake to take office– if appointed – and also declare, under their own responsibility, that they do not present any causes of incompatibility, ineligibility, and debarment, and that they meet and fulfil the requirements and criteria prescribed by current regulations;
iii) a copy of the certificates issued by intermediaries certifying that those shareholders hold the percentage of share capital required by article 37.7 for submitting lists.";
2) to grant the Board of Directors, its Chairperson and the Managing Director/Group CEO a broad mandate to implement this resolution, either jointly or severally, or through special attorneys and/or legal representatives of the Company, with authorisation to make any amendments or additions required during its registration in the Register of Companies, or which may be requested by other competent Authorities, or otherwise needed to obtain legal approval, and generally providing all that is required for the full implementation thereof, with every necessary, useful and appropriate power for that purpose, none excluded.
